Free of any cost, KSV empowers, supports and encourages children from socially marginalized and economically disadvantaged backgrounds to realize their full potential and attain a better life.

This is done through an intensive and comprehensive educational program and through the performing arts which are undertaken in a peaceful rural residential setting. In addition, food, accommodation and healthcare are also provided.

Through their achievements, the students will be in a position to create a better future for themselves, their families and their communities.

Through their music, the students proudly contribute towards the conservation and diffusion of India's vast musical heritage.

Annadaan

Indian tradition dictates that offering knowledge to the less fortunate or feeding the needy are considered to be amongst the most pious of acts that one can undertake.

KSV provides three vegetarian and nourishing meals a day to its two-hundred-thirty students.

We need individuals to come forward to extend their support for Annadaan.
